Blind debossing

Some might call it blind blocking or stamping, but it's all the same magical process. Using traditional methods, letters are pressed into the cover without ink or foil for an elegant, classic presentation that's wonderful to the touch.

Blind debossing is available on most materials.

Available fonts: Coronation and Helvetica.

Clamshell Box

Clamshell Boxes take their name from an old book-binding technique. They can be ordered as an upgrade for both Fine Art Books and Matted Albums.

The boxes have an elegant structural flow with a hinged lid connected to the base. As well as having a choice of cotton cover materials, you can select either a soft-close magnetic clasp or have the box tied with a ribbon. You can further personalise Clamshell Boxes with names, motifs or bespoke graphics.
